

10th SYROS SUMMER WORKSHOP 2nd-4th June 2017

Dear colleague

Since 1998 the Syros Summer Workshop on Psychoanalytic Psychotherapy Studies has become a living tradition. The Workshop combines Greek island summer weather with psychoanalytic studies and takes place in the neoclassical building of the Hermoupolis Town-Hall in the Cycladic island of Syros. It is organised by the Hellenic Association of Child and Adolescent Psychotherapy under the auspices of EFPP. From the first Workshop (May 1998), EFPP and IPA members from all over Europe have been joining this event in this sunny and picturesque Greek island of the Aegean Sea. Successful Workshops of the past enjoyed the presentations of invited speakers, like: Margot Waddell (U.K.), Jean Begoin, (France), Gianna Williams, (U.K.), Imre Szecsody, (Sweden), Roberto Basile (Italy), Luc Moyson (Belgium), Serge Frisch (Luxembourg), Prof. R.D. Hinshelwood, Majlis Winberg Salomonsson (Sweden). All presentations

(theoretical and clinical) are discussed in small Anglophone and Francophone groups and then they are reported back to the plenary for a general discussion. The high quality of presentations in the plenary meetings and the exchange of ideas in the discussion groups, have always been characterised by a friendly atmosphere, the same atmosphere that has accompanied us after each day's work to the seaside and the local tavernas. This is perhaps one of the reasons that most of the Syros Summer Workshop participants come back for the next event.

This year we invite you to the **10th Syros Summer Workshop 2nd-4th June 2017.**

The themes of the workshop will be: **'Struggling with Integration'**.

We are delighted to announce our three invited speakers:

Our key-note speaker this year is the British Child and Adolescent Psychotherapist, member of ACP (Association of Child Psychotherapists), U.K. **Ann Horne**. The title of her talk would be ***Children who use the body to cope with trauma: activity, gaze and the space for thought.***

The other two speakers are:
